Re: Aiken Performing Arts Academy/Lloyd Kennedy Charter School

Dear Mr. Reed:

Enclosed is a floor plan for the auditorium of the Performing Arts Academy in Aiken. This shows revisions to the platform in the auditorium which is now less than 1,000 square feet.

Aiken Performing Arts Academy/Lloyd Kennedy Charter School requests a waiver of non-health and non-safety items from the South Carolina School Facilities Planning and Construction Guide.

As was noted in our letter of May 22, these new buildings have been designed according to the IBC 2003.

Thank you for your attention to this and assistance in this review process,

McDonald Law

Very Truly Yours,

McDonald Law, Architect
